

SIM Quality Metrics Work Group

Monday, April 18, 2016

3:00 pm – 4:30 pm

Dial In: 877-414-4629; Participant: 5500291

AGENDA

- **Introductions**
- **Overview of Other SIM States Quality Performance Reporting**
 - State examples (Washington, Maine, and New York) will be briefly highlighted to level set how other states have approached quality work under SIM.
- **District Objectives and Progress**
 - Review Quality Metrics Work Group Charter
 - Review Progress
 - Unfinished Business
 - Reporting Infrastructure
 - Priority Areas
 - Leverage AHIP/CMS Collaborative Measure Core Set
 - Align with Other District Initiatives
 - Healthy People 2020
 - Various community needs assessment
 - CMMI Awarded Initiatives in the District
 - Leadership Council for Healthy Communities – Health Ties that Bind
 - Discussion: Are there other initiatives or priority areas that should be considered?
Are there certain priority topic areas the District should work on first?
 - Development of Measure Set
- **Measure Selection Discussion**
 - Build consensus on measure selection criteria
 - Narrow the list of measures to develop a common set of measures
