

DEPARTMENT OF HEALTH CARE FINANCE

NOTICE OF EMERGENCY AND PROPOSED RULEMAKING

The Director of the Department of Health Care Finance, pursuant to the authority set forth in An Act to enable the District of Columbia to receive federal financial assistance under Title XIX of the Social Security Act for a medical assistance program, and for other purposes, approved December 27, 1967 (81 Stat. 744; D.C. Official Code § 1-307.02 (2012 Repl.)), and the Department of Health Care Finance Establishment Act of 2007, effective February 27, 2008 (D.C. Law 17-109; D.C. Official Code § 7-771.05(6) (2012 Repl.)), hereby gives notice of the adoption on an emergency basis, of an amendment to Section 1934, entitled “Supported Living Services,” of Chapter 19 (Home and Community-Based Services Waiver for Individuals with Intellectual and Developmental Disabilities) of Title 29 (Public Welfare) of the District of Columbia Municipal Regulations (DCMR).

These emergency and proposed rules establish standards governing reimbursement of supported living services provided to participants in the Home and Community-Based Services Waiver for Individuals with Intellectual and Developmental Disabilities (ID/DD Waiver) and conditions of participation for providers.

The ID/DD Waiver was approved by the Council of the District of Columbia and renewed by the U.S. Department of Health and Human Services, Center for Medicare and Medicaid Services, for a five-year period beginning November 20th, 2012. Supported living services are provided to persons with an assessed need for assistance with acquisition, retention, or improvement in skills related to activities of daily living, and the social and adaptive skills necessary to enable persons enrolled in the Waiver to reside and successfully participate in the community. These rules amend the previously published final rules by increasing the rates, using the approved rate methodology, to reflect the increase in the D.C. Living Wage to comply with the Living Wage Act of 2006, effective June 8, 2006 (D.C. Law 16-118; D.C. Official Code §§ 2-220.01 *et seq.* (2012 Repl.)).

Emergency action is necessary for the immediate preservation of the health, safety, and welfare of ID/DD Waiver participants who are in need of supported living services. The ID/DD Waiver serves some of the District’s most vulnerable residents. The rate increase is necessary to ensure a stable workforce and provider base. In order to ensure that the residents’ health, safety, and welfare are not threatened, it is necessary that that these rules be published on an emergency basis.

The emergency rulemaking was adopted on September 16, 2014 and became effective on that date. The emergency rules shall remain in effect for one hundred and twenty (120) days or until January 14, 2015 unless superseded by publication of a Notice of Final Rulemaking in the *D.C. Register*. The Director of DHCF also gives notice of the intent to take final rulemaking action to adopt these proposed rules in not less than thirty (30) days after the date of publication of this notice in the *D.C. Register*.
