Local Realities and Federal Actions are Leading to Changes to Medicaid That Will Be Implemented Between Now and January 2027

- Locally, changes in the District's revenues, increasing costs of health care, and increasing Medicaid enrollment challenge Medicaid program sustainability
  - Coverage options changing for some adults currently eligible for Medicaid
- Federally, the One Big Beautiful Bill Act (OB3) includes significant changes to the Medicaid program in the future, including:
  - Changes to qualified alien definition (starting October 2026)
  - Work requirements for some adults enrolled in Medicaid (effective January 2027)
  - More frequent eligibility checks for some adults enrolled in Medicaid (effective January 2027)
  - Changes to retroactive Medicaid coverage (effective January 2027) and more...
- We will present on OB3 changes next meeting on February 25, 2026

As of January 1, 2026, About 18,000 Adults Are No Longer Be Eligible for Medicaid

- Eligibility changes made effective January 1, 2026:
  - **No** changes to financial eligibility for Children (0-20), pregnant individuals, SSI individuals, those in the Aged, Blind and Disabled (ABD) group, or participating in long term care.
  - Effective January 1, 2026, the eligibility threshold for Parent/Caretaker Relatives and Childless Adults decreased to 138% FPL.
  - **Adults over this threshold have been disenrolled** from Medicaid effective December 31, 2025.
  - **These adults were sent an adverse action notice** in early December. An informational notice went to impacted individuals in early September.
  - Healthy DC Plan enrollment notices were sent to many transitioning adults on November 1.

Category	Current Childless Adult (Ending 12/31/2025)	Current Parent or Caretaker (Ending 12/31/2025)	**New** Childless Adult and Parent/ Caretaker (Effective 1/1/2026)
Threshold in Federal Poverty Level (FPL)	210% + 5% disregard	216% + 5% disregard	133% + 5% disregard
1 person household, monthly	$2,806	$2,884	$1,800
2-person household, monthly	$3,790	$3,896	$2,432
3-person household, monthly	$4,775	$4,908	$3,065
4-person household, monthly	$5,762	$5,923	$3,697

As of January 1, 2026, About 18,000 Adults Are No Longer Eligible for Medicaid

- Generally, adults (without dependent children in a household of one) with incomes around $1,800 / month or more are no longer eligible for Medicaid based solely on their income
- Parents and Caretaker Relatives (in a household with two adults & two children) making around $3,700 / month or more are no longer eligible
- Single Adults and Parents above these limits with Medicare can still have Medicaid pay monthly Medicare premiums and cost sharing under QMB program but lost their eligibility for full Medicaid benefits.
  - DHCF automatically transitioned these individuals to QMB-Only coverage on January 1, 2026.
- These Medicaid changes also have an impact on Emergency Medicaid coverage in the District:
  - After January 1, 2026, the majority of adults (21+) only qualify for Emergency Medicaid coverage if they are at or below 138% of the federal poverty level.
- DHCF has worked with DCHBX to automatically transition currently enrolled Medicaid enrollees who will be losing coverage to alternative coverage options.

As of January 1, 2026, About 18,000 Adults Are No Longer Eligible for Medicaid…And Most Became Eligible for the New Healthy DC Plan

- Options for coverage are available through the DC Health Benefit Exchange (DCHBX)
  - Most adults no longer eligible for Medicaid will qualify for the Healthy DC Plan
  - The remaining adults will be eligible for a Qualified Health Plan
- The Healthy DC Plan is a new option administered by DCHBX and offers no cost coverage to eligible adults
  - Many services covered by Medicaid are included except for non-emergency transportation, dental and vision coverage, long-term services and supports, and some community-based mental health and SUD services
  - Residents disenrolled from Medicaid and eligible for Healthy DC Plan were automatically enrolled for coverage starting January 1
- Residents can find more information regarding the Healthy DC Plan at: www.HealthyDCPlan.com

District Residents Shifting to the Healthy DC Plan Have to Start a New Online Account to Manage Benefits Online

- District Residents who moved/will be moving to the Healthy DC Plan ***<u>can use their District Direct Login and password on DCHealthlink.com to access Healthy DC Plan Information</u>***
  - District Direct does **<u>NOT</u>** give access to information or allow residents to take action on Healthy DC Plan coverage, but the District Direct login does work on DCHealthLink.com
- If a resident moving to Healthy DC Plan does not have a log in for either system, they can call 833-432-7526/TTY: 711 to create an online account.
