End of Medicaid Continuous Enrollment

A COMMUNICATIONS TOOLKIT FOR COMMUNITY STAKEHOLDER ENGAGEMENT
In March 2020, at the beginning of the COVID-19 pandemic, the federal government declared a public health emergency (PHE). As a result, the Centers for Medicare & Medicaid Services (CMS) temporarily waived certain Medicaid requirements and conditions. The easing of these rules helped prevent people with Medicaid in all 50 states, the District of Columbia, and the five U.S. territories from losing their health coverage during the pandemic.

At the beginning of 2023, states received new information from the U.S. Department of Health and Human Services that the continuous eligibility requirement, part of the PHE, will end effective March 31, 2023. This means that all 50 states and the District of Columbia will be required to restart Medicaid eligibility renewals.

To align with federal requirements, the Department of Health Care Finance (DHCF) must redetermine the eligibility of everyone enrolled in its Medicaid program within 14 months. This is referred to as “Medicaid Restart.” When it is time for a Medicaid beneficiary to renew coverage, they will receive a letter and renewal packet in the mail and will be given time to complete and return it.

To minimize the number of people who lose their coverage, DHCF is working with stakeholders to inform people about renewing their coverage and exploring other available health insurance options if they no longer qualify for Medicaid, Alliance, or the Immigrant Children’s Program (ICP).

This toolkit is designed to help our community partners, stakeholders, and advocates—in essence, anyone who regularly interacts with beneficiaries of DHCF medical assistance plans—communicate upcoming changes accurately and consistently in the renewal process. To support this and other beneficiary education efforts, DHCF is also launching a citywide advertising campaign and outreach initiatives to inform beneficiaries of the need to update their contact information.

Because the campaign will heavily target Wards 4, 5, 7, and 8, stakeholders who provide services to families in these areas may see an uptick in questions about their health coverage.

You may help by familiarizing yourself with the online portal, districtdirect.dc.gov, to help individuals create an account and update their information; direct people to the call centers where interpreters and in-language staff are on hand and provide a listing of Service Centers for individuals who prefer in-person assistance.

Our team will update materials and messages in this toolkit as eligibility and renewal processes change.
As DHCF prepares for the continuous eligibility requirement and the return to a normal enrollment and renewal process, we created this toolkit to help people with Medicaid understand the steps required for renewing their coverage.

DHCF encourages all community partners, other stakeholders, and advocates to disseminate these materials through their internal and external communications channels, such as e-newsletters, social media platforms, and websites. In addition, please distribute them during community outreach events and in high-traffic locations. While we hope you will co-brand the materials with your organization’s or agency’s logo, we ask that you keep the content intact to ensure message accuracy and consistency.

The toolkit includes the following resources:

Key Messages ........................................................................................................................................................................ 3

Engaging Stakeholders. Keeping Beneficiaries Covered ........................................................................................................... 5

Flyers - Four downloadable flyers that may be distributed .................................................................................................. 6

Drop-In Article - A short article suitable for websites and e-newsletters ........................................................................... 10

Social Media Posts - Short messages for use with social media ads .................................................................................... 11

Email Messages - For dissemination to beneficiaries ............................................................................................................ 13

Website Text - For placement on websites ............................................................................................................................ 13

Phone Call Scripts - Messaging to help call center staff provide consistent information .................................................. 14

FAQs - Information to help organizations address common questions .................................................................................. 15

If you have any questions or require additional information regarding DHCF’s plans for resuming Medicaid redeterminations, please visit dhcf.dc.gov or email our team at medicaid.restart@dc.gov.

We look forward to working together for the health of DC residents!
DHCF’s initial messaging will educate people on the need to update their contact information in preparation for completing their upcoming renewal. It is simple, direct, and informative without focusing on the complexities of the continuous eligibility requirement. These messages provide information to people with DHCF medical plans to assist with the renewal process.

**What You Can Do Right Now**

**Update your contact information.** Log in to District Direct (for more details, see page 10) to update your contact information. If DHCF does not have the proper contact information, you will not receive notice of the need to renew your coverage through the mail or other means!

**Check your mail.** DHCF will mail you a letter about your Medicaid, Alliance, or ICP coverage. This letter will also let you know when it is time to complete your renewal to see if you still qualify for your current program.

**After Receiving Your Renewal Notice**

**Complete your renewal form by using districtdirect.dc.gov** or fill out the form immediately to help avoid a gap in your coverage. You may return the form through the following methods:

- **Online.** Visit districtdirect.dc.gov or download the District First app from the Apple App Store or Google Play.
- **By Fax or Mail.** Fax a completed renewal form to 202-671-4400 or mail to:
  Department of Human Services Economic Security Administration Case Record Management Unit
  P.O. Box 91560
  Washington, DC 20090

- **In Person.** Visit a Service Center with all of your documentation. Service Centers are open 7:30 a.m.-4:45 p.m., Monday-Friday at the following locations:
  - **Anacostia Service Center**
    2100 Martin Luther King Jr. Ave. SE, DC 20020
  - **Congress Heights Service Center**
    4049 South Capitol St. SW, DC 20032
  - **Fort Davis Service Center**
    3851 Alabama Ave. SE, DC 20020
  - **H Street Service Center**
    645 H St. NE, DC 20002
  - **Taylor Street Service Center**
    1207 Taylor St. NW, DC 20011

For information and questions, you can call the Public Benefits Call Center at 202-727-5355, or to find Service Centers, visit dhs.dc.gov/service/find-service-center-near-you.
**Key Messages**

Beneficiaries have the right to an interpreter. In addition, interpreters are available at no cost in Chinese, Korean, Vietnamese, Spanish, French, Amharic, and Arabic by calling 202-727-5355.

Visually impaired, deaf, and hard-of-hearing people may contact the call center for assistance at 202-727-5355 and TDD 800-537-7699. Recipients may also request printed items in large font. Seniors 60+ years of age looking for assistance can visit the Deaf and Hard of Hearing Senior Center Mondays, Wednesdays, and Fridays from 1:00 p.m. to 5:00 p.m. at 4301 9th St. SE.

If you no longer qualify for your current coverage, you can enroll in a private health insurance plan on DC Health Link. With so many plans to choose from, it’s easy to find quality, affordable health coverage that meets your needs and budget. DC Health Link plans are:

- **Affordable.** Plans as low as $11 a month.
- **Comprehensive.** All plans cover things like prescription drugs, doctor visits, urgent care, hospital visits, and more.

Losing your coverage is a Qualifying Life Event (QLE), allowing you to enroll in a plan on DC Health Link during a special enrollment period.

Visit dchealthlink.com or call 855-532-5465 /TTY: 711 if you have questions about your plan options and to see if you qualify for lower monthly premiums.

For in-person assistance, visit a trained expert at a DC Health Link enrollment center. Go to dchealthlink.com/enrollmentcenters to locate an enrollment center near you.

If your child no longer qualifies for your current insurance, visit districtdirect.dc.gov to help them apply for Medicaid or Alliance or explore other options.
Engaging Stakeholders. Keeping Beneficiaries Covered.
Suggested Outreach Ideas

DHCF is working together with our partners, stakeholders, and other District agencies to ensure that all members have the information they need to complete their renewal documents. To get the ball rolling, our message is simple: “Don’t Wait to Update.” Working together, we want to urge our members to visit districtdirect.dc.gov and inform DHCF of any changes that might affect their applications, such as a different address, new baby, or higher income.

Federal officials will give the District 14 months to complete Medicaid renewals for all members. Starting on April 1, 2023, Medicaid eligibility redeterminations will begin. In the meantime, one way to prepare is to ensure that our partners and stakeholders are informed and up to date so that everyone who is eligible stays covered. For others, we aim to work with health care advocates and stakeholders to find alternative coverage.

What You Can Do

1. **Encourage beneficiaries** to update their information; support people who have difficulty creating an account or accessing districtdirect.dc.gov to ensure that they receive the necessary paperwork.

2. **Sign up to receive information** and stay informed through email updates from DHCF. Email Medicaid.restart@dc.gov and ask to join the list.

3. **Identify individuals** in your existing system, coalitions, or networks who may be at risk for not renewing their coverage and encourage them to access and use our resources.

4. **Assist beneficiaries** during the renewal process.

5. **Engage beneficiaries** and urge your partner networks to read and share messages and resources from DHCF about the renewal process.

6. **Train existing staff** to assist beneficiaries with the renewal process, including completing and submitting all forms and required documents to avoid a break in coverage.

7. **Inform individuals** who lose Medicaid coverage about the 90-day reconsideration period for re-enrollment.

8. **Assist individuals** who lost eligibility due to non-submission of renewal forms to promptly begin the reinstatement process. Also, help those found to be ineligible for their current coverage to apply for the Health Insurance Marketplace or other available options.
Did you know all DC residents with Medicaid, Alliance, or the Immigrant Children’s Program must start renewing their coverage again?

Don’t miss out on important information. If you haven’t already, take time today to update your address, phone number, and/or email address at districtdirect.dc.gov so that DHCF knows where to send your Medicaid renewal letter.

If you need help, please call the Public Benefits Call Center at 202-727-5355.

Instructions for districtdirect.dc.gov

Did you know all DC residents who have Medicaid must start renewing their coverage again? Don’t miss out on important information. If you haven’t already, take time today to update your address, phone number, and/or email address at districtdirect.dc.gov or by calling the Public Benefits Call Center between 7:30 a.m. and 4:45 p.m.

To update your information, you must first create an account at districtdirect.dc.gov or download the District Direct Mobile App, which is available through Google Play or the Apple App Store.

---

**How to Create a District Direct Account**

1. On the main page, click “Log in” and then click “Create Account.”

2. On the next page, enter the information required to create your account, such as your username and password.

3. Once complete, click “Create Account.” Then connect your account by clicking “Connect Your Account” on the homepage and entering the required information.

4. Once your account is active, return to the homepage, where you will see your information.

---

**How to Access Your District Direct Account**

1. If you have an account, you can access your account at districtdirect.dc.gov or through the District Direct Mobile App, which is available through Google Play or the Apple App Store.

2. Next, you must enter your username and password. If you applied for benefits online, you created your username and password when you applied.

3. If you don’t remember your username or password, you can reset it by clicking the “Forgot Password” or “Forgot Username” link or calling the Public Benefits Call Center at 202-727-5355.
Important News About DC’s Health Insurance Coverage

If you have health insurance coverage through Medicaid, important changes are happening in 2023. As a result, you’ll have to renew coverage for yourself and your family for the first time in several years. To ensure that you get important information and meet all critical deadlines, take a minute today and update your contact information. When it is time to renew, the Department of Health Care Finance will send the forms to your new address.

Did you move during the COVID-19 pandemic? Let us know! Did you change your phone number? Let us know! You may have the new job you wanted—let us know that, too! You can make all these updates at districtdirect.dc.gov, the city’s benefits portal, on your cell phone, laptop, desktop computer, or tablet.

Remember, you must first create an account to access the portal. If you’re using a mobile device, you can download the District Direct Mobile App from Google Play or the Apple App Store. Whatever format you decide, the key is to act now!

If you need additional assistance, you may call the Public Benefits Call Center at 202-727-5355 between 7:30 a.m. and 4:45 p.m.

7. If you don’t remember your username or password, you can reset it by clicking the “Forgot Password” or “Forgot Username” link or calling the Public Benefits Call Center at 202-727-5355.
What is the public health emergency (PHE), and how does it affect Medicaid, Alliance, and ICP beneficiaries?

At the beginning of the COVID-19 pandemic, the federal government declared a PHE. During the PHE, Medicaid continued health care coverage for all beneficiaries, even if someone’s eligibility changed. The District also continued coverage for people with Alliance and ICP before restarting regular operations on July 1, 2022.

When will the PHE end?

The federal government has decided to end the PHE on May 11, 2023. However, at the beginning of 2023, states received new information from the U.S. Department of Health and Human Services that the continuous eligibility requirement, part of the PHE, will end effective March 31, 2023. This means that all 50 states and the District of Columbia will be required to restart Medicaid eligibility renewals.

To align with federal requirements, DHCF must redetermine the eligibility of everyone enrolled in its Medicaid program within 14 months. This is referred to as “Medicaid Restart.” When it is time for a Medicaid beneficiary to renew coverage, they will receive a letter and renewal packet in the mail and will be given time to complete and return it.

I haven’t had to renew Medicaid for myself and/or my family members for a few years. Does that mean I no longer have to renew my insurance each year?

No, once the continuous enrollment requirement ends on March 31, 2023, you will once again have to renew your insurance. DHCF will notify you by mail when it’s time for you to renew each year.

What can beneficiaries do to keep their benefits?

Get Ready. Update your contact information, including your mailing address, phone number, and email address, at districtdirect.dc.gov. Customers may also call the Public Benefits Call Center at 202-727-5355 between 7:30 a.m. and 4:45 p.m. to update their information. Return all requests for information on time if you get a letter from DHCF.

Renew. Once you receive your renewal notice, report all changes in your household to districtdirect.dc.gov. These changes include if someone becomes pregnant, has a new baby, moves in or out of your home, or has an income change—or any other changes that may affect your benefits.

What will happen if I do not renew my insurance coverage for myself and/or my family by the date stated in my renewal letter?

You risk losing your health insurance if you do not renew insurance for yourself and/or family members by this deadline. If you think you missed this date, please log in to District Direct to check your eligibility, call 202-727-5355, or contact DC Health Link at 855-532-5465.
FAQs

What if a recipient is found to no longer be eligible for Medicaid, Alliance, or ICP?

If you are found to no longer be eligible for your current medical assistance plan after the redetermination period, expect to receive the following:

- Notice of when your enrollment ends
- Information on how to appeal
- Information about purchasing other health care coverage options, such as those on DC Health Link.

How will DHCF collaborate with stakeholders, advocacy groups, and other District agencies?

DHCF is working closely with a wide range of District-based organizations to inform and encourage beneficiaries to update their contact information as the first step to making sure they are able to renew their Medicaid, Alliance, or ICP application. The agency asks for support in helping beneficiaries access the portal, complete their renewal applications, file appeals if continued eligibility is denied, and identify alternative health insurance if needed.

How can beneficiaries stay up to date about the continuous eligibility requirement?

To stay current, you should:

- Update your mailing address, phone number, and email address to receive notifications from DHCF.
- Register at the districtdirect.dc.gov portal.
- Watch for and respond to notices that are sent by mail.

If I have questions or need help applying for benefits, who do I contact?

Start by visiting districtdirect.dc.gov. If you have additional questions, please get in touch with the Public Benefits Call Center at 202-727-5355 for assistance.
