

SIM CARE DELIVERY WORK GROUP MEETING #5

Wednesday, December 9, 2015

3:00 pm – 4:30 pm

Dial In: 877-414-4629; Participant: 5500291

AGENDA

- **Introductions and Discussion Points (30 minutes)**
 - Specific examples of data sharing breakdowns that prevented effective care coordination.
 - What data did you need and what is the best way for it to be delivered to you?
 - What tool(s) could help prevent future breakdowns?
- **Discussion of Potential HIE Tools for Development (55 minutes)**
 - Risk assessment tools
 - Dynamic patient care profile
 - Other initial HIE opportunities under discussion
- **Wrap Up and Next Steps (5 minutes)**
