

DC MEDICAID

What is DC Medicaid?

DC Medicaid provides federally-funded health insurance to eligible low-income families, elderly and/or adults with disabilities who can't afford to pay for their medical care and some or all of their medical bills.

DC Medicaid does not pay money to you; instead, it sends payments directly to your health care providers.

What are some of DC Medicaid programs?

- DC Healthcare Alliance
- DC Healthy Families
- Home and Community Based Services for Elderly and Individuals with Physical Disabilities (EPD) Waiver
- Mental Retardation Developmental Disabilities (MRDD) Waiver

What services does DC Medicaid cover/include?

- Doctor visits
- Hospitalization
- Eye care
- Ambulatory surgical center
- Medically necessary transportation
- Prescription drugs
- Dental services and related treatment
- Dialysis services
- Durable medical equipment
- Emergency ambulance services
- Hospice services
- Laboratory services
- Radiology
- Medical supplies
- Mental health services
- Physician services
- Nurse practitioner services
- Home and Community Based Services (HCBS)
