

GOVERNMENT OF THE DISTRICT OF COLUMBIA
Department of Health Care Finance

Office of the Senior Deputy Director/Medicaid Director

Transmittal # 16-32

TO: All District of Columbia Medicaid Providers

FROM: Claudia Schlosberg, J.D. 
Senior Deputy Director and State Medicaid Director

DATE: **DEC 30 2016**

SUBJECT: 2017 CPT-HCPCS Codes Updates

Each year the Centers for Medicare and Medicaid Services (CMS) releases modifications of the Healthcare Common Procedure Coding System (HCPCS) code set. Level I of the HCPCS are CPT (Current Procedural Terminology) codes, maintained by the American Medical Association, that are used primarily to identify medical services and procedures furnished by physicians and other health care professionals. Level II of the HCPCS is a standardized coding system that is used primarily to identify products, supplies, and services not included in the CPT codes, such as ambulance services and durable medical equipment (DME).

For additional information about the HCPCS code set, please visit the CMS website at <http://www.cms.hhs.gov/MedHCPCSGenInfo/>

The Department of Health Care Finance (DHCF) will adopt new HCPCS codes for dates of service beginning *January 2, 2017*. Discontinued codes will not be accepted after *January 1, 2017*. Therefore, only existing and new codes found in the 2017 HCPCS Level I (CPT) and the HCPCS Level II Editions will be accepted for dates of service beginning January 2, 2017.

The new codes will be priced according to the District of Columbia's Medicaid State Plan, which stipulates that most physician services (including anesthesia services) are reimbursed at 80% of the Medicare rate as established by the CMS. For anesthesia services, the conversion factor will be updated to \$19.14 effective for dates of service January 1, 2017 through December 31, 2017.

The listing of new, discontinued and revised 2017 CPT/HCPCS codes with their associated short descriptions and Medicaid coverage status (for new codes) is attached to this transmittal. For long descriptions, please consult your CPT and HCPCS resources. This transmittal will also be available at the DC Medicaid website <http://www.dc-medicaid.com> by January 2, 2017.

The 2017 full fee schedule also will be available beginning on January 19, 2017 by calling the Xerox Provider Inquiry Unit at (202) 906-8319 (inside DC metro area) or 1-866-752-9233 (outside DC Metro area). Questions and concerns about the 2017 CPT/HCPCS codes and the 2017 full fee schedule should also be directed to Xerox.
