**Transmittal # 18-04**

**TO:** District of Columbia Medicaid Managed Care Organizations

**FROM:** Claudia Schlosberg, J.D.   
Senior Deputy Director and State Medicaid Director

**DATE:** January 31, 2018

**SUBJECT: Reimbursement of Out-of-Pocket Expenditures for Managed Care Medicaid Beneficiaries**

---

Pursuant to the terms of the contract entered into by the Managed Care Organizations (MCOs) and the District of Columbia, each DC Medicaid MCO is required to comply with the terms of the *Salazar* Settlement Order, including any subsequent Orders entered by the Court in *Salazar v. District of Columbia*, Civil Action No. 93-452 (TSC) (D.D.C.).

On September 2, 2005, in the *Salazar* case, the Court approved and entered the Order Setting Reimbursement Procedures for Medicaid Beneficiaries Enrolled with a DC Medicaid Managed Care Organization. The Order sets the procedure for the MCOs to make and communicate to their enrollees determinations on reimbursement claims that are submitted by an MCO enrollee to the MCO directly, or to the Recipient Claims Research Team at the Department of Health Care Finance (DHCF).

The Medicaid Reimbursement Form (Attached) is available from DHCF in Spanish, French, Chinese, Korean, Amharic, and Vietnamese for your enrollees with limited English proficiency.

The general procedure for such reimbursement requests is as follows:

1. The enrollee or his or her representative will submit the claim to DHCF. The Medicaid Reimbursement Form will ask the Medicaid beneficiary to identify, if known, the managed care organization with which he or she is currently enrolled.
2. DHCF will verify the beneficiary's MCO enrollment status at the time the expense was incurred.

3. If the claimant was an MCO enrollee at the time the expense was incurred, DHCF will notify the enrollee that his or her claim will be determined by the MCO. DHCF also will provide the enrollee with basic information regarding his or her rights to file a grievance or request a fair hearing should he or she be unhappy with the determination made by the MCO.
4. Reimbursement will be subject to the following: (a) the beneficiary was eligible for Medicaid and an enrollee of the MCO at the time medical service was given, (b) the medical expense (e.g., drug prescription, doctor visit or hospitalization) was medically necessary and covered under Medicaid, and (c) the reimbursement request is submitted within six months after the medical expense was incurred.
5. DHCF will forward the claim, along with the notice letter that is sent to the claimant, to the MCO. DHCF will complete this task within 30 days from the date the claim was submitted and inform the enrollee that the claim will be determined by his or her MCO. See Sample Notice Letter, Exhibit B to the Order.
6. Some beneficiaries may submit reimbursement claims directly to the MCO. Whether the reimbursement claim is received directly from the enrollee or via DHCF, the MCO has 60 days from the receipt of the claim to complete its investigation into the claim and mail to the claimant a final written determination. Final written determinations consist of one of the following: (1) full payment of the claim; (2) partial payment of the claim with a full explanation of the reasons for the denial of part of the claim; or (3) denial of the claim with a full explanation of the reasons for the denial. All denials of reimbursement claims, in whole or in part, shall include a statement of the claimant's due process appeal rights and rights concerning grievances as set forth in sub-paragraphs (a)-(h) below. MCOs are not obligated to reimburse for claims unless the claim is for the type of medical assistance that the MCO would have been obligated to provide under its contract with DHCF.

The written explanation must contain, at a minimum, the following language:

- a. "Your request for reimbursement for \_\_\_\_\_ has been denied for the following reasons:  
\_\_\_\_\_."

Each element of the claim that is being denied, in part or in whole, should be given a separate explanation stating the basis for the denial. Provide as much detail as possible, writing at a fifth-grade reading comprehension level.

- b. "If you are not happy with any of these decisions, you have the right to file a grievance with the \_\_\_\_\_ **Department of this MCO at telephone number \_\_\_\_\_, address \_\_\_\_\_.** You also have the right to request a fair hearing with the District of Columbia Office of Administrative Hearings. You must make either of these requests within 90 days."
- c. "If you wish to file a grievance with the MCO, you may do so either in writing or orally. If you file a grievance orally, you must submit a written statement within 10 days of your oral statement, unless the MCO has already decided your grievance. You will receive a written resolution within 14 working days unless the MCO gives you written reasons why

it cannot decide your claim in this time period. The total period of time cannot exceed 30 working days. The written resolution will either be full or partial payment of your claim or a statement denying payment. If your payment is denied, the MCO will state the reason for the denial and your right to request a fair hearing.”

- d. “You may request a fair hearing immediately, as well as before, during or after you have filed a grievance with the MCO. You do not need to file a grievance to request a fair hearing. You must request the fair hearing within 90 days of receiving the determination from your MCO. Your request should be submitted to the D.C. Office of Administrative Hearings, 441 4<sup>th</sup> Street, NW, Washington, DC 20001, 202-442-9094.”
- e. “If you are not happy with the result of your fair hearing before the D.C. Office of Administrative Hearings, you have the right to appeal that decision to the District of Columbia Court of Appeals. You must file your appeal within thirty (30) days after the Office of Administrative Hearings mails the final order of its decision.”
- f. “If the MCO’s decision is reversed during the fair hearing or on appeal to D.C. Court of Appeals, the MCO has 10 working days to provide the reimbursement.”
- g. “If you would like assistance in filing a grievance or a fair hearing request, you may contact your MCO’s \_\_\_\_\_ **Department at telephone number \_\_\_\_\_, address \_\_\_\_\_**. You have the right to request access to documents, records and other information you may require, to understand the determination and effectively argue against that determination. You also have the right to reasonable assistance which includes, but is not limited to, competent professional interpreter services and access to toll-free telephone numbers that have adequate TTY/TTD.”
- h. “You may be able to obtain free legal assistance to help present your case at the hearing or on appeal. If you are a member of the class certified by the court in *Salazar v. District of Columbia*, Civil Action No. 93-452 (TSC) (D.D.C.), you may contact Terris, Pravlik and Millian, LLP, 1816 12th Street, N.W., Suite 303, Washington, DC 20009, 202-682-0578.” Free legal assistance for beneficiaries who are not members of the *Salazar* class may be available from the following organizations:

Bread for the City Legal Clinic, (202) 480-8950 or (202) 791-2982  
Legal Aid Society, (202) 628-1161

Neighborhood Legal Services, (202) 832-6577  
University Legal Services, (202) 547-4747

- 7. If the MCO fails to issue a written determination within the 60-day time period, it is required to pay the claim, in full, within 5 working days.
- 8. If DHCF fails to submit the claim to the MCO and in the event of such failure DHCF fails to issue a written determination within 90 days from the date of the submission of the claim, DHCF is required to pay the claim, in full, within 15 working days. If DHCF pays the claim,

it is entitled to a full recovery from the MCO if it is later determined to be a proper reimbursement request.

In addition to being under a general obligation to comply with Court Orders pertaining to *Salazar v. District of Columbia*, the requirements in this Order are consistent with and already included in those found in the contractual language.

As you know, if the claimant is successful during the fair hearing, you cannot appeal that decision.

If you paid for drug prescriptions, doctor visits, or hospitalizations during a time that you were eligible for Medicaid, you may be able to be reimbursed for the expenses.

**REQUIREMENTS:** You may be eligible for reimbursement during a period of time you or a family member were eligible for Medicaid if:

- a. You paid for drug prescriptions, doctor visits, or hospitalizations; or
- b. You are still paying a bill or are being asked to pay a bill by a pharmacy, clinic, doctor, or hospital for drug prescriptions, doctor visits, or hospitalizations.

If you believe that you are entitled to reimbursement, you must request reimbursement within six (6) months of the date you went to the pharmacy, clinic, doctor, or hospital, or within six (6) months of the date you learned you were eligible for Medicaid.

**DEFINITION OF “ELIGIBLE FOR MEDICAID”:** The period of time for which you are “eligible for Medicaid” and may be eligible for reimbursement means:

1. The dates that the District of Columbia stated you (and/or your family members) were eligible for Medicaid.
2. The three (3) months before you submitted your application for Medicaid (and you were later found eligible).
3. The time after you filed your application for Medicaid and were waiting for a decision (and you were later found eligible).
4. Any time you were improperly denied eligibility of services:

- a. If the District of Columbia improperly stopped your eligibility at the time of Medicaid renewal or recertification.
- b. If the pharmacy, clinic, hospital, or doctor's office required you to pay because they said you were not on Medicaid when you actually were.
4. If, for a child under age 21 who is eligible for Medicaid, you were required to pay for any EPSDT service, including medical services, dental services, medication, medical equipment, supplies, or transportation services to Medicaid appointments.
5. If you have both Medicaid and Medicare and your pharmacy, clinic, hospital, or doctor required you to pay for any portion of the bill that Medicare does not pay.

**IN ORDER TO BE REIMBURSED, YOU MUST:**

1. Complete the enclosed Medicaid Reimbursement Form. Attach the receipt from the doctor, clinic, hospital or pharmacy that shows the expenses you paid.
2. If you do not have a receipt from the doctor, clinic, hospital or pharmacy, you may provide a signed and dated letter explaining why you do not have the receipt.
3. Submit the Medicaid Reimbursement Form with the receipt(s) (or the letter explaining why you do not have a receipt) to the address on the Medicaid Reimbursement Form.
4. Remember that you have six (6) months from the date you went to the pharmacy, clinic, doctor, or hospital or from the date you learned you were eligible for Medicaid to submit the Medicaid Reimbursement Form. If you do not have all of the information, you should submit as much information as you have available.
5. Reimbursement will only be made for expenses that should have been paid by Medicaid. You should carefully review the documents you submit to be sure that they are fully accurate.

**IF YOU HAVE QUESTIONS OR IF YOU NEED HELP COMPLETING THE FORM**

1. The Medicaid Recipient Claims Research Team (RCRT) (Kenneth Gause and Pamela Stevenson) of the D.C. Department of Health Care Finance (DHCF) at (202) 698-2000.
2. Terris Pravlik & Millian, LLP, 1816 12th Street, NW, Suite 303, Washington, DC 20009, (202) 682-0578, may assist you in completing the Medicaid Reimbursement form if you are a *Salazar* class member or want assistance to determine if you are a *Salazar* class member.
3. The RCRT must make a decision on your reimbursement claim within 90 days from the time you file your claim. If no decision is made within those 90 days, your claim will be treated as valid, and you will be paid within 15 working days after the end of the 90-day period.
4. If you are not satisfied with the decision of the RCRT, you have a right to a fair hearing. You must file your request for a fair hearing within 90 days of the date of the decision by the RCRT. You may request a fair hearing by calling the Office of Administrative Hearings (OAH) at (202) 442-9094. OAH is located at 441 4th Street, NW, Washington, DC 20001.
5. If you are not satisfied with the results of the fair hearing, you may appeal to the District of Columbia Court of Appeals. You must file your appeal within thirty (30) days after the OAH mails the final order of its decision.
6. You may be able to obtain free legal assistance to help you present your case at the hearing or on appeal. If you are a member of the class certified by the court in *Salazar v. District of Columbia*, Civil Action No. 93-452 (TSC) (D.D.C.), you may contact Terris, Pravlik & Millian, LLP at 1816 12th Street, NW, Suite 303 Washington, DC 20009 or (202) 682-0578.
