   a.l. Transportation. (Please refer to Attachment 3.1D.)
   X Provided:  No limitations  X With limitations
   ______ Not provided.
   a.2. Brokered Transportation.
   X Provided under section 1902(a)(70)

The State assures it has established a non-emergency medical transportation program in order to more cost-effectively provide transportation, and can document, upon request from CMS, that the transportation broker was procured in compliance with the requirements of 45 CFR 92.36 (b)-(f).

A brief description of the District’s transportation brokerage is included at the end of this section.

(1) The State will operate the broker program without the requirements of the following paragraphs of section 1902(a);

☐ statewideness (indicate areas of State that are covered)
☐ (10)(B) comparability (indicate participating beneficiary groups)
☒ (23) freedom of choice (indicate mandatory population groups)

(2) Transportation services provided will include:
   ☒ wheelchair van
   ☒ taxi
   ☒ stretcher car
State/Territory: District of Columbia

- bus passes
- tickets
- secured transportation
- other transportation - Public transportation including the use of the METRO rail and bus system
- other transportation - Ambulatory van transportation subject to prior approval based on medical necessity for recipients whose medical condition, behavioral condition, or age is such that other forms of transportation are inappropriate.

As part of non-emergency transportation coverage, the state includes costs for lodging and meals where necessary for the recipient to have access to a covered medical service. Where necessary, the costs for an attendant which may include transportation, lodging and meals are also included. MAA has the final decision as to coverage for lodging, meals and attendants and the reimbursement for these.

(3) The State assures that transportation services will be provided under a contract with a broker who:

(i) is selected through a competitive bidding process based on the State's evaluation of the broker's experience, performance, references, resources, qualifications, and costs;

(ii) has oversight procedures to monitor beneficiary access and complaints and ensures that transport personnel are licensed, qualified, competent, and courteous;

(iii) is subject to regular auditing and oversight by the State in order to ensure the quality of the transportation services provided and the adequacy of beneficiary access to medical care and services;

(iv) complies with such requirements related to prohibitions on referrals and conflict of interest as the Secretary shall establish (based on prohibitions on physician referrals under section 1877 and such other prohibitions and requirements as the Secretary determines to be appropriate);

(v) does not provide transportation services and is not a governmental entity.

(4) The broker contract will provide transportation to the following categorically needy mandatory populations:

- Low-income families with children (section 1931)
- Low-income pregnant women
- Low-income infants
- Low-income children 1 through 5
State/Territory: District of Columbia

- Low-income children 6 - 19
- Qualified pregnant women
- Qualified children
- IV-E Federal foster care and adoption assistance children
- TMA recipients (due to employment)
- TMA recipients (due to child support)
- SSI recipients

(5) The broker contract will provide transportation to the following categorically needy optional populations:

- Optional low-income pregnant women
- Optional low-income infants
- Optional targeted low-income children
- Individuals under 21 who are under State adoption assistance agreements
- Individuals under age 21 who were in foster care on their 18th birthday
- Individuals who meet income and resource requirements of AFDC or SSI
- Individuals who would meet the income & resource requirements of AFDC if child care costs were paid from earnings rather than by a State agency
- Individuals who would be eligible for AFDC if State plan had been as broad as allowed under Federal law
- Individuals who would be eligible for AFDC or SSI if they were not in a medical institution
- Individuals infected with TB
- Individuals screened for breast or cervical cancer by CDC program
- Individuals receiving COBRA continuation benefits
- Individuals in special income level group, in a medical institution for at least 30 consecutive days, with gross income not exceeding 300% of SSI income standard
- Individuals receiving home and community based waiver services who would only be eligible under State plan if in a medical institution
- Individuals terminally ill if in a medical institution and will receive hospice care
- Individuals aged or disabled with income not above 100% FPL
Individuals receiving only an optional State supplement in a 209(b) State

Individuals working disabled who buy into Medicaid (BBA working disabled group)

Individuals working disabled who buy into Medicaid (TWWIIA working disabled group)

Employed medically improved individuals who buy into Medicaid under TWWIIA Medical Improvement Group

Individuals disabled age 18 or younger who would require an institutional level of care (TEFRA 134 kids)

The State will pay the contracted broker by the following method:

- risk capitation
- non-risk capitation
- other (e.g., brokerage fee and direct payment to providers)

The broker is paid on a monthly capitation basis. Payment is on a per-member-per-month basis. Actuarial analysis was conducted on Medicaid fee-for-service transportation data to establish the rates paid to the broker. The broker in-turn makes payments to the transportation provider on a fee-for-service basis.

Description of the District of Columbia’s Transportation Brokerage:

The Medical Assistance Administration (MAA) initiated a non-emergency transportation broker contract in July 2007. The non-emergency broker provides services to Medicaid and SCHIP enrollees that are not enrolled in managed care. Thus, all Medicaid and SCHIP enrollees that are in the fee-for-service program receive transportation services through the non-emergency transportation broker.

Recipients contact the broker when in need of transportation to a Medicaid covered service. The broker verifies enrollment in Medicaid or SCHIP, that the trip is to a covered service, arranges for the transportation, and reimburses the transportation provider. The broker has contracts with numerous transportation providers and assures that transportation is available throughout the Metro DC area.

The broker ensures that a Transportation Provider Service Agreement (TPSA) is executed with each transportation provider selected by the broker as a member of the broker’s transportation network prior to the delivery of services. The broker may not establish or maintain transportation provider service agreements with transportation providers that have committed fraud against the District, Medicaid Assistance Administration, or any Federal agency or has been terminated from the District Medicaid program.

TN No. 01-04  Supersedes Approval Date OCT 17, 2008 Effective Date JAN 1, 2008 HCFA ID: 1040P/0016P
The Broker provides oversight and monitoring of the day-to-day operations necessary for the delivery of NET services, the maintenance of appropriate records, systems, and support services for reporting to MAA’s Chief of Program Operations and maintaining compliance with the terms of the contract. Monitor the overall delivery of transportation services including vehicle, driver, and attendant requirements and performance to ensure the consistent delivery of quality NET services allowing recipients timely access to health care services.

The current contract with the broker was awarded in July 2007, with the option of 4 one-year extensions. Future year increases will be based on the transportation portion of the Washington-Baltimore Consumer Price Index.
