DHCF Transmittal #09-19

TO: District of Columbia Medicaid Providers of Durable Medical Equipment,
Prosthetics, Orthotics, and Supplies

FROM: Julie Hudman, Ph.D.
Director 

DATE: July 20, 2009

SUBJECT: **Corrected list of Durable Medical Equipment, Prosthetics, Orthotics and
Supplies (DME/POS) Requiring Prior Authorization**

It has come to our attention that the listing of DME/POS that require prior authorization and was attached to Department of Health Care Finance (DHCF) transmittal # 09-12, dated May 15, 2009 is incorrect. A correct listing of DME/POS that require prior authorization is attached to this transmittal. Please replace the May 15 listing with this one.

Going forward, information on DME/POS that require prior authorization is now maintained as part of DHCF's fee schedule, which is now available on DHCF's Provider Web Portal at: <https://www.dc-medicaid.com/dcwebportal/providerSpecificInformation/providerInformation>

If you have any questions regarding the prior authorization of DME/POS, please contact Dena Hasan, Public Health Analyst, DHCF, on 202-724-4178 or at Dena.Hasan@dc.gov.
