

## DEPARTMENT OF HEALTH CARE FINANCE

NOTICE OF FINAL RULEMAKING

The Director of the Department of Health Care Finance (DHCF or the Department), pursuant to the authority set forth in An Act to enable the District of Columbia (District) to receive federal financial assistance under Title XIX of the Social Security Act for a medical assistance program, and for other purposes, approved December 27, 1967 (81 Stat.774; D.C. Official Code § 1-307.02 (2014 Repl. & 2015 Supp.)), and Section 6(6) of the Department of Health Care Finance Establishment Act of 2007, effective February 27, 2008 (D.C. Law 17-109; D.C. Official Code § 7-771.05(6) (2012 Repl.)), hereby gives notice of the adoption of a new Chapter 98, entitled “Financial Eligibility for Long Term Care Services and Supports,” of Title 29 (Public Welfare) of the District of Columbia Municipal Regulations (DCMR).

Long term care services and supports are available for individuals with long-term medical needs who also meet specific financial eligibility (income and resources) requirements. In accordance with 42 U.S.C. §§ 1396a and 1396r-5; and 42 C.F.R. §§ 435.631, 435.726, 435.821, and 435.832, these rules provide a comprehensive regulatory framework for: (1) the determination of financial eligibility for long term care services and supports; and (2) the amount a beneficiary shall contribute to the cost of care for long term care services and supports following a determination of financial eligibility. This framework will ensure that accurate determinations of financial eligibility and contributions to cost of care are made, enabling eligible individuals to access these crucial services provided under the Medicaid program.

A Notice of Emergency and Proposed Rulemaking was published in the *D.C. Register* on May 22, 2015 at 62 DCR 006736. Comments were received and substantive changes were made to remove references to liens imposed on the homes of institutionalized beneficiaries in Section 9082; to broaden language regarding parties with legal authority to act on behalf of an applicant or an applicant’s spouse in Section 9803; and to clarify language regarding the personal needs allowance for beneficiaries who are members of institutionalized couples or who receive residential supports from the Department on Disability Services (DDS).

A Notice of Second Emergency and Proposed Rulemaking was published in the *D.C. Register* on December 11, 2015 at 62 DCR 015922. No comments were received. No substantive changes have been made. The Director adopted these rules as final on February 4, 2016 and they shall become effective on the date of publication of this notice in the *D.C. Register*.

**9803 IMPROPER RESOURCE TRANSFERS AND PENALTY PERIOD**

9803.1 At the time of the initial eligibility determination, the Department shall conduct a review to determine whether the applicant, the applicant's spouse, or an individual with legal authority to act in place of or on behalf of the applicant or the applicant's spouse has improperly transferred resources for less than fair market value within sixty (60) months prior to the date of an application for LTCSS.

9803.2 The Department shall impose a penalty period if the applicant, the applicant's spouse, or an individual with legal authority to act in place of or on behalf of the applicant or the applicant's spouse has transferred resources for less than fair market value within sixty (60) months prior to the date of an application for LTCSS.

9803.3 The penalty period shall be the length of time during which an individual is ineligible for Medicaid coverage of LTCSS due to improper resource transfers made within sixty (60) months prior to the date of an application for LTCSS.

9803.4 The length of the penalty period shall be based on the following formula:

$$\frac{\text{Total Uncompensated Value of All Transferred Resources}}{\text{Average Monthly Cost of a Private Nursing Facility Patient in the Community}} = \text{Number of Months of Penalty Period.}$$

9803.5 The Department shall determine the total uncompensated value of all transferred resources by subtracting the amount received by the individual for the improperly transferred resources from the fair market value of those resources.

9803.6 The Department shall determine the average monthly cost of a private nursing facility patient in the community on an annual basis, using a single standard figure for all LTCSS applicants.

9803.7 Where a partial month period exists at the end of the penalty period, the applicant is only eligible for LTCSS for the portion of the month after the penalty period ends.

9803.8 The Department may waive the penalty period if it could create an undue hardship. Undue hardship may exist:

- (a) For applicants in an institutional setting, if the individual has been threatened with eviction from a long-term care facility or medical institution and has exhausted all legal methods to prevent the eviction; or

- (b) For applicants eligible for Home and Community-Based Services (HCBS) Waiver, if the individual's service provider has threatened to terminate services; and
  - (1) The individual to whom the resource was transferred is no longer in possession of the transferred resource and has no other resources of comparable value with which to pay the cost of care; and
  - (2) There is no family member or other individual or organization able and willing to provide care to the individual; or
- (c) For all LTCSS applicants, if the applicant would be deprived of medical care that would endanger his or her life or health; or food, clothing, shelter, or other necessities of life; or
- (d) For all LTCSS applicants, if any other undue hardship or good cause exemption exists, as may be defined by the Secretary for the U.S. Department of Health and Human Services or the Secretary for the U.S. Department of Agriculture.

9803.9

Transfers of resources under the following circumstances shall not be subject to the penalty period described in Subsection 9803.3:

- (a) The resource that was transferred was the applicant's personal home, and title to the home was transferred to:
  - (1) The spouse of the applicant;
  - (2) A child of the applicant who:
    - (i) Was under the age of twenty-one (21);
    - (ii) Was blind or permanently and totally disabled; or
    - (iii) Had been residing in the home for at least two (2) years immediately before the date the applicant became institutionalized and who provided care to the applicant which permitted the applicant to reside at home, rather than in an institution; or
  - (3) A sibling of the applicant who had an equity interest in the home and who had been residing in the home for at least one (1) year immediately before the date the applicant became institutionalized.
- (b) Any type of resource that was transferred:

- (1) To the applicant's spouse or to another for the sole benefit of the spouse;

- (c) Any type of resource that was transferred, and for which a satisfactory showing is made to the District that:
- (1) The applicant intended to dispose of the resources at fair market value;
  - (2) The resources were transferred exclusively for a purpose other than to qualify for medical assistance; or
  - (3) All resources transferred for less than fair market value have been returned to the applicant, or the fair market equivalent has been returned.

9803.10 Establishment of the following types of trusts shall not be subject to the penalty period described in Subsection 9803.3:

- (a) A "special needs" trust containing the resources of an individual under the age of sixty-five (65) with a disability, which may also contain the resources of other individuals and which meets the following conditions:
- (1) The trust is established for the sole benefit of the individual by a parent, grandparent, legal guardian, or court; and
  - (2) The trust contains a provision stating that, upon the death of the individual, the District receives all amounts remaining in the trust, up to the total amount of medical assistance paid on behalf of the individual.
- (b) A "pooled" trust containing the resources of an individual with a disability which meets the following conditions:

- (1) The trust is established for the sole benefit of the individual by a parent, grandparent, legal guardian, or court;
- (2) The trust is established and managed by a non-profit association;
- (3) A separate account is maintained for each beneficiary, but funds are pooled for investment and management purposes; and
- (4) The trust contains a provision stating that, to the extent that any amounts remaining in the individual's account upon his or her death are not retained by the trust, the trust pays to the District the amount remaining in the account up to the total amount of medical assistance paid on behalf of the individual.

9803.11 The purchase of an annuity shall not be subject to the penalty period described in Subsection 9803.3 under the following conditions:

- (a) Annuities purchased on or after February 8, 2006 name the District as the primary remainder beneficiary, or secondary remainder beneficiary after a community spouse or minor child or child with a disability, for an amount equal to the total amount of medical assistance paid on the behalf of the applicant; and
- (b) Annuities purchased on or after February 8, 2006, are irrevocable, non-assignable, actuarially sound, and provide for payments in equal amounts during the annuity term, with no deferral or balloon payments; or meet the requirements pertaining to retirement plans in 42 U.S.C. § 1396p(c)(1)(G)(i).

9803.12 For annuities purchased prior to February 8, 2006, actions taken by the individual that change the course of payments to be made by the annuity or treatment of the income or principal of the annuity subject the annuity to the requirements for those purchased on or after February 8, 2006.

9803.13 Routine changes and automatic events that do not require action by the individual do not subject an annuity purchased prior to February 8, 2006, to the requirements for those purchased on or after February 8, 2006.

9803.14 The purchase of a life estate interest in another individual's home shall not be subject to the penalty period described in Subsection 9803.3 when the purchaser lives in the home for at least one (1) year after the date of purchase.

9803.15 The full purchase price of the life estate interest shall be deemed a transfer of resources for less than fair market value if the purchaser has not lived in the home for at least one (1) year.

- 9803.16 Notwithstanding the length of time the purchaser lives in the home, if the purchase amount of the life estate interest is greater than the computed value of the interest, the difference is considered a transfer of resources for less than fair market value.
- 9803.17 The purchase of a promissory note or loan shall not be subject to the penalty period described in Subsection 9803.3 under the following conditions:
- (a) The repayment terms are actuarially sound;
  - (b) Payments are made in equal amounts with no balloon payments; and
  - (c) The note, loan or mortgage prohibits cancellation of the debt upon the death of the lender.

- 9804.1 The Department shall determine how much monthly income a beneficiary must contribute toward the cost of LTCSS after an initial eligibility determination.
- 9804.2 The Department shall project the beneficiary's gross countable monthly income for a six (6) month prospective period to determine a beneficiary's contribution to the cost of care.
- 9804.3 Gross countable monthly income shall be calculated as follows:
- (a) Income received on a yearly basis or less often than monthly shall be converted to a monthly amount or prorated;
  - (b) If the amount or frequency of regularly received income is known, the Department shall average the income over the period between payments; or
  - (c) If neither the amount nor the frequency of income is predictable, the Department shall not average the income but count income only for the month in which it is received.
- 9804.4 The Department shall subtract the following types of deductions from the beneficiary's gross countable monthly income:
- (a) A Personal Needs Allowance equal to:
    - (1) Seventy dollars (\$70) for a beneficiary in a nursing facility who does not receive a pension from the Department of Veterans Affairs;

    - (2) When a community spouse does not reside in the home; and
    - (3) If a physician certifies that the beneficiary is likely to return to the home within six (6) months; and
  - (h) The full amount of SSI or State Supplementary Payment Benefits for a beneficiary who resides in a long term care facility.
- 9804.5 The amount of the beneficiary's gross countable income that remains after allowable deductions and spousal impoverishment protections for income and resources (if applicable) have been applied is the amount of the beneficiary's contribution to the cost of care.
- 9804.6 The Department shall reduce its payment for LTCSS by the amount of the beneficiary's contribution to the cost of care.
- 9804.7 The Department shall reconcile the beneficiary's projected income with the beneficiary's actual income at the end of every six (6) month period in which a beneficiary receives Medicaid coverage of LTCSS, or whenever any significant change in the beneficiary's income or circumstances occurs.
- 9804.8 The reconciliation may include a period of up to six (6) months prior to the month in which the reconciliation is done.
- 9804.9 The Department may redetermine the beneficiary's contribution to the cost of care:
  - (a) After the reconciliation process;
  - (b) At annual renewals; and
  - (c) When a beneficiary reports a significant change of income or other circumstances.
- 9804.10 Any redetermination of or adjustment to the beneficiary's contribution to the cost of care resulting from the reconciliation shall not be applied until timely and adequate notice of the redetermination or adjustment is provided to the beneficiary.

- 9804.11 The Department shall adjust the beneficiary's contribution to the cost of care prospectively when the income actually received by the beneficiary during the six (6) month reconciliation period differs from the beneficiary's projected income for that period.
- 9804.12 If the income actually received by the beneficiary during the six (6) month period exceeds the beneficiary's projected income for that period, an adjustment shall be added to the beneficiary's contribution to the cost of care in a future month or months to reflect the amount that should have been contributed during the six (6) month period.
- 9804.13 If an income change or change in circumstances renders a beneficiary ineligible for Medicaid coverage of LTCSS, a prospective adjustment cannot be added to the former beneficiary's contribution to the cost of care. Under these circumstances, the Department may seek to recover the full amount of the adjustment by requesting voluntary repayment from the former beneficiary.
- 9804.14 The Department may pursue recovery by appropriate action, pursuant to District law, against the income or resources of the former beneficiary if the Department is unable to recover the full amount of the adjustment through voluntary repayment from the former beneficiary.
- 9804.15 If the income actually received by the beneficiary during the six (6) month period is less than the beneficiary's projected income for that period, the beneficiary's contribution to the cost of care shall be reduced in a future month or months to reflect the amount that should not have been contributed during the six (6) month period.
