Table 3. Published Regulations in the <i>District of Columbia Register</i> , from February 15, 2026, to date.			
D.C. Register Issue	Description	Date of Publication	Notes
73/11	Final Rulemaking – Repeals the Medical Assistance for Immigrant Children chapter of Title 29 of the DCMR, which established the Immigrant Children’s Program. Beginning on October 1, 2025, eligibility for health care and medical services for the population previously covered by the Immigrant Children’s Program will be governed by the rules of the DC Health Care Alliance Program under Chapter 33 of Title 22-B of the DCMR.	3.13.26	
73/15	Final Rulemaking – Formalizes reimbursement procedures in District regulations and extend the time for seeking reimbursement as part of settlement agreement in class action lawsuit, <i>Salazar v. District of Columbia</i> , Civil Action No. 93-452 (TSC) (D.D.C.).	4.10.26	
73/16	Final Rulemaking – Amends Chapter 14 of Title 29 DCMR to clarify third-party liability policies including that: <ul style="list-style-type: none"> • Certain responsible third-party payers who require prior authorization for an item or service, accept an authorization provided by the state that the item or service is covered under the State Plan (or waiver of the State Plan) to satisfy the prior authorization requirement; • DHCF <i>will not</i> seek recovery from settlement funds or jury awards granted to a Medicaid beneficiary for future medical care. Additionally, the rulemaking removes Sections 1451 and 1452, on chore and homemaker services, from Chapter 14 of Title 29, as the rules for those services have been moved to Chapter 42 of the same title.	4.17.26	
73/16	Final Rulemaking – Amends Chapter 95 of Title 29 DCMR to adjust the income eligibility threshold for the parents and other caretaker relatives eligibility group to require that household income be no higher than one hundred thirty-three percent (133%) of the FPL.	4.17.26	
73/16	Final Rulemaking – Amends Chapter 87 of Title 29 DCMR to incorporate policies consistent with a move of the DC HIE from the HIE model to the Health Data Utility (“HDU”) model, which will allow the DC HIE to act as a more robust, efficient, centralized hub for data sharing.		Scheduled for publication on 5.1.26.
	Proposed Rulemaking – Amends Chapters 50 and 97 of Title 29 DCMR, respectively to modify the recordkeeping requirements for PCA services and clarify conflict of interest safeguards required by the Centers for Medicare and Medicaid Services for D-SNPs when administering Adult Day Health Program services.		Rule moving to final with minor edits. In external review.
