DEPARTMENT OF HEALTH CARE FINANCE

NOTICE OF FINAL RULEMAKING

Pursuant to Section 6508, entitled “Final Per Diem Rate Calculation,” each nursing facility located in the District of Columbia participating in the Medicaid program is reimbursed on a prospective basis, at a facility-specific per diem rate. This rate is calculated by establishing a base year per diem rate for each facility, adjusted semi-annually for case-mix, adjusted annually for inflation, and subject to other adjustments. Effective January 1, 2011, an amendment to the State Plan eliminated the annual inflation adjustment in order to create budget savings.

On July 30, 2013, the Council of the District of Columbia (Council), through the Medical Assistance Program Emergency Amendment Act of 2013 (D.C. Act 20-130; 60 DCR 11384), approved the submission of a State Plan Amendment (SPA) to the Centers for Medicare and Medicaid Services (CMS) to reinstate the annual inflation adjustment for nursing facility per diem rates, which included minor clarifications of the formula for calculating the annual inflation adjustment from January 1, 2006 to the present to reflect actual accounting practices. The SPA was approved by the CMS on January 24, 2014 with an effective date of October 1, 2013.

A Notice of Emergency and Proposed Rulemaking was published in the D.C. Register on September 27, 2013 at 60 DCR 013421, and a Notice of Second Emergency and Proposed Rulemaking was published on January 31, 2014 at 60 DCR 000877. No comments were received and no substantive changes were made.

The Director adopted these rules as final on March 26, 2014 and they shall become effective on the date of publication of this notice in the D.C. Register.
