If you paid for drug prescriptions, doctor visits, or hospitalizations during a time that you were eligible for Medicaid, you may be able to be reimbursed for the expenses.

REQUIREMENTS: You may be eligible for reimbursement if during a period of time you or a family member were eligible for Medicaid, if:

a. You paid for drug prescriptions, doctor visits, or hospitalizations; or
b. You are still paying a bill or are being asked to pay a bill by a pharmacy, clinic, doctor, or hospital for drug prescriptions, doctor visits, or hospitalizations.

If you believe that you are entitled to reimbursement, you must request reimbursement within six (6) months of the date you went to the pharmacy, clinic, doctor, or hospital, or within six (6) months of the date you learned you were eligible for Medicaid.
DEFINITION OF “ELIGIBLE FOR MEDICAID”: The period of time for which you are “eligible for Medicaid” and may be eligible for reimbursement means:

1. The dates that the District of Columbia stated you (and/or your family members) were eligible for Medicaid.
2. The three (3) months before you submitted your application for Medicaid (and you were later found eligible).
3. The time after you filed your application for Medicaid and were waiting for a decision (and you were later found eligible).
4. Any time you were improperly denied eligibility of services:
   a. If the District of Columbia improperly stopped your eligibility at the time of recertification.
   b. If the pharmacy, clinic, hospital, or doctor’s office required you to pay because they said you were not on Medicaid when you actually were.

IN ORDER TO BE REIMBURSED, YOU MUST:

1. Complete the enclosed Medicaid Reimbursement Form.
2. Attach the receipt from the doctor, clinic, hospital or pharmacy that shows the expenses you paid.
3. If you do not have a receipt from the doctor, clinic, hospital or pharmacy, you may provide a signed and dated letter explaining why you do not have the receipt.
4. Submit the Medicaid Reimbursement Form with the receipt(s) (or the letter explaining why you do not have a receipt) to the address on the Medicaid Reimbursement Form.
5. Remember that you have six (6) months from the date you went to the pharmacy, clinic, doctor, or hospital or from the date you learned you were eligible for Medicaid to pay the expense, to submit the Medicaid Reimbursement Form. If you do not have all of the information, you should submit as much information as you have available.
6. Reimbursement will only be made for expenses that should have been paid by Medicaid. You should carefully review the documents you submit to be sure that they are fully accurate.
