

All questions received by the September 1, 2020 are included below. These questions and answers are posted on DHCF's website as an addendum to the solicitation in Transmittal 20-30 Behavioral Health Transformation Request for Information.

#	File Name, Section Reference	Page#	Question	Answer
1	Submission Format	2	Will the District accept Adobe PDF files of the requested Word files as a response submission format?	Yes, the District will accept pdf files.
2	4.1.9	11	The RFI asks for a prioritization of services that will be included in phase II that are not currently covered by Medicaid. Does this mean that all MHRS, ASARS, and recovery support services would not transition to MCOs on 10/1/2021?	The District intends to transition some or all of the current MHRS, ASARS and recovery supports services to MCOs on 10/1/2021. The question was intended specifically to address behavioral health services that are locally-funded or those that are currently 'carved-out' of the Medicaid Managed Care contracts.
