**Department of Health Care Finance**

Office of the Senior Deputy Director/Medicaid Director

**Transmittal # 15-47**

**TO:** All District of Columbia Medicaid Providers

**FROM:** Claudia Schlosberg, J.D.   
Senior Deputy Director and State Medicaid Director

**DATE:** December 22, 2015

**SUBJECT:** 2016 CPT-HCPCS Codes Updates

---

As you know, each year the Centers for Medicare and Medicaid Services (CMS) releases modifications of the Healthcare Common Procedure Coding System (HCPCS) code set. Level I of the HCPCS are CPT (Current Procedural Terminology) codes, maintained by the American Medical Association, that are used primarily to identify medical services and procedures furnished by physicians and other health care professionals. Level II of the HCPCS is a standardized coding system that is used primarily to identify products, supplies, and services not included in the CPT codes, such as ambulance services and durable medical equipment, prosthetics, orthotics and supplies (DMEPOS) when used outside of a physician's office.

For additional information about the HCPCS code set, please visit the CMS website at <http://www.cms.hhs.gov/MedHCPCSGenInfo/>

The Department of Health Care Finance (DHCF) will adopt new HCPCS codes for dates of service beginning *January 2, 2016*. Discontinued codes will not be accepted after *January 1, 2016*. Therefore, only existing and new codes found in the 2016 HCPCS Level I (CPT) and the HCPCS Level II Editions will be accepted for dates of service beginning January 2, 2016.

For your convenience, the listing of new, discontinued and revised 2016 CPT/HCPCS codes with their associated short descriptions and Medicaid coverage status (for new codes) is attached to this transmittal. For long descriptions, please consult your CPT and HCPCS resources. This transmittal with the list of CPT/HCPCS changes for 2016 will also be available at the DC Medicaid website <http://www.dc-medicaid.com> by January 2, 2016.

The 2016 full fee schedule also will be available beginning on January 19th, 2016 by calling the Xerox Provider Inquiry Unit at (202) 906-8319 or 1-866-752-9233 (outside DC Metro area). Questions and concerns about the 2016 CPT/HCPCS codes and the 2016 full fee schedule should also be directed to Xerox.
