DIRECTOR

December 1, 2020

Dear Employer:

The Living Wage Act of 2006, D.C. Official Code §§ 2-220.01--2-220.11 (the “Act”) provides that District of Columbia government contractors and recipients of government assistance in the amount of \$100,000 or more shall pay affiliated employee wages at no less than the current living wage rate. Employers receiving government assistance or funding from the District must pay workers performing work on projects related to the government assistance or funding at least the current living wage rate. The living wage rate is reviewed annually by DOES and can be adjusted in proportion to the annual average increase in the Consumer Price Index for all Urban Consumers in the Washington Metropolitan Statistical Area published by the Bureau of Labor Statistics, U.S. Department of Labor.

Based on the 2020 review, effective January 1, 2021 until June 30, 2021, the living wage rate is \$15.00 per hour.

D.C. Official Code § 2-220.03(f) provides that at no time shall the living wage be less than the minimum wage. Effective July 1, 2020, the minimum wage in the District was \$15.00 per hour. Effective July 1, 2021, the District’s Minimum Wage will increase again based on the CPI as of 12/31/2020 that will trigger an attendant increase in the living wage.

**Effective January 1, 2021 until June 30, 2021, the living wage rate is \$15.00.  
Effective July 1, 2021, the District’s Minimum Wage will increase again based  
on the CPI as of 12/31/2020.**

The Department of Employment Services/Office of Wage-Hour looks forward to continuing to provide quality service to all employers. Should you have any questions, please contact Mohammad R.
