Subject: Alliance Pharmacy Program – Transition from Unity Health Care Pharmacies
to the District of Columbia Pharmacy Provider (DCPP) Network

The purpose of this Transmittal is to inform all Pharmacy Providers of significant changes upcoming in the District of Columbia's Alliance Pharmacy Program. All Unity Health Care **pharmacies** will cease operation on September 21, 2013. Alliance members will no longer be able to obtain medications from the Unity pharmacies after September 21, 2013.

Please be advised that effective October 1, 2013, the Department of Health Care Finance (DHCF) will use a dedicated pharmacy network to dispense formulary medications to Alliance members. There are currently twenty-five (25) network pharmacies participating in the **District of Columbia Pharmacy Provider (DCPP) Network**. The network pharmacies are located throughout the city with representation in each ward and many have extended evening and weekend business hours. *A list of the DCPP Network pharmacies is attached to this transmittal.*

Only those pharmacies participating in the new District of Columbia Pharmacy Provider (DCPP) Network will be able to fill prescriptions for Alliance members

In order for this process to be effectively implemented, your support is crucial. **We strongly encourage you to promptly distribute and display the District of Columbia Pharmacy Provider (DCPP) Network Directory at your facility.** You may access the current directory via the website at <http://www.doh.dc.gov/HAHSTA>, click on the HIV/AIDS tab, scroll down to DC AIDS Drug Assistance Program (ADAP) and click on to DC ADAP Pharmacy Directory.
