<p><b>(a) The setting ensures an individual's rights of privacy, dignity, respect, and freedom from coercion and restraint</b></p>	<p>The Consumer' Rights Act, including affording residents the consumer rights set forth in Section 204 (D.C. Official Code § 7-1231.04) gives individual's rights of privacy, dignity, respect, and freedom from coercion and restraint.</p> <p>Additionally, Title 22-B DCMR Chapter 38 also addresses these concerns through various consumer centered regulations. The Department's goal is to deliver behavioral health services that promote recovery, respect cultural and linguistic diversity, and are choice-driven through the Mental Health Rehabilitation Services system for community-based care or MHRS. The MHRS system is based on individualized services and supports.</p> <p>Specifically, the MHCRF setting ensures an individual's rights of privacy, dignity, respect, and freedom from coercion and restraint through 22-B DCMR §3801. For example:</p> <p>3801.6 Each resident shall have the right to privacy in the provision of personal and medical</p>	Positive	All		DBH	Service coordination monitoring, and provider certification review.

<p><b>b. The setting optimizes individual initiative, autonomy, and independence in making life choices</b></p>	<p>Per Title 22-B DCMR Chapter 38, MHCRFs optimize individual initiative, autonomy, and independence in making life choices. For instance,</p> <p>3832.1 Each resident's rehabilitative services shall be provided in accordance with a written Individual Treatment Plan (ITP) and shall be developed with the goal of assisting the resident to achieve and maintain the highest level of self-care, self-esteem, and independence.</p> <p>3832.2 Each MHCRF shall, consistent with the proper care of each resident, maintain as culturally normal routines and procedures as possible, providing for sleeping periods, meal times, social and recreational activities, responsibilities, and resident autonomy similar to the living patterns of independent persons in the</p>	Positive	All		DBH	Service coordination monitoring, and provider certification review.

	community.					
<b>c. The setting facilitates individual choice regarding services and supports, and who provides them</b>	DBH contracts with community based providers to provide mental health services and supports, including those that work with residents of the MHCRFs. A consumer can contact a provider of his or her choice directly or call the Access Helpline for assistance. DBH certifies each provider to ensure conformity to federal and District regulations and monitors quality of care.
