Dear <NAME>:

There have been changes in the DC HealthCare Alliance Program. **Starting October 1, 2017, you can no longer get your care and services with MedStar Family Choice (MedStar).** There is a new health plan in the program, **Amerigroup District of Columbia. Starting October 1, 2017 there will be an open enrollment period that will last through December 31, 2017 (90 days), so that you can change your health plan, if you choose.** The list below shows the health plans you can choose:

- Amerigroup District of Columbia (*NEW*)
- AmeriHealth Caritas District of Columbia
- Trusted Health Plan

Your benefits will stay the same. However, here are a few important things you should know.

Question: Do I need to do anything if I am currently enrolled in MedStar?
Answer: **No**, effective October 1, 2017, you will be auto-assigned to Amerigroup District of Columbia. You will receive a letter with information about your new health plan.

Question: Do I need to do anything if I am enrolled in AmeriHealth District of Columbia or Trusted Health Plan?

Answer: If you are enrolled in AmeriHealth District of Columbia or Trusted Health Plan and you wish to stay in your current health plan – **you do nothing**.
